Subject Acknowledgement of your Response to the Preliminary Notice of Violation
dated June 6, 1997 (NTS-RFO-KHLL-ENVOPS-1996-0001)

Dear Mr Card

This letter refers to your response to the subject Preliminary Notice of Violation (PNOV) dated June 6, 1997, received by our office on July 9, 1997. Your response admitted to the violations identified in the PNOV and waived Kaiser-Hill Company's right to further contest the PNOV. Additionally, your response identified proposed corrective actions and provided your commitment to implement and adhere to these corrective actions.

The Department of Energy (DOE) accepts your response to the PNOV. Your response complied with requirements of 10 CFR 820 and our transmittal letter accompanying the PNOV. The PNOV is now deemed a Final Order, and no additional enforcement action is required in this case.

The Office of Enforcement and Investigation will continue to coordinate review of the implementation of corrective actions with Mr. Richard Magill, the DOE Price-Anderson Coordinator, and the Rocky Flats Field Office personnel.

Sincerely,

R Keith Christopher
